

Wedding package at Brisas Hotels in Cuba

Brisas Hotels in Varadero, Trinidad de Cuba and Guardalavaca include weddings in the packages. We recommend to make all the arrangements according to the Cuban Law Regulations. And request 20 days in advance to get the photocopy of all documents which are needed to have all the legalization ready for the wedding date, then our Wedding Coordinator and the Notary Public will confirm they are legally in order before clients arrive to the hotel. The following prerequisites (for both contracting parties) apply for the ceremony to be performed:

THE REQUIREMENTS ARE:

1. A photocopy of the passport page with the photo of the bearer.
2. Occupation.
3. Private address
4. Father's full name

7. Amount of previous marriages (in the case of non singles)
8. If divorced, a divorce certificate with the exact date when the marriage was terminated)
9. If a widow or widower, a marriage certificate and death certificate of the deceased spouse.

Remarks:

In case of a divorced woman from an annulled marriage interested in solemnizing a new one, if the decision is made within 300 calendar days from the date the marriage was legally annulled, will not have to present a medical certificate no matter if she is expecting.

A copy of all documentation legalized and translated (exactly the way described) should be sent to the hotel with at least 20 days in advance. The clients must bring the originals with them.

Check more than once and make sure that there's a correspondence between all the information and particulars in all the legalized and official documents issued.

We need to know the possible time and date for the wedding in advance. (The wedding will be performed at least 4 days later upon the clients arrival.)

The marriage certificate will be sent to the original country of the couple, it is impossible to provide the marriage certificate during the stay of the clients.
